

INTEGRITY MADE

U.S. MARKET LEADING GEL HAND SANITIZER

FEATURES:

- Manufactured with USP Grade Ethanol and USP Grade Water, unlike the majority of other new producers
- Formulated with both Natural and Essential Oils as well as Vitamin E and Aloe Vera for a moisturizing feel
- Fast-drying formula with no stickiness or residue
- Unscented product contains a light alcohol smell - very uncommon against the bad alcohol odor amongst new hand sanitizer manufacturers
- Clear, viscous gel formula with no haziness or cloudiness
- Multiple fragrances offered: Citrus, Aloe, and unscented with additional options available for consideration

PRODUCTION CAPABILITIES:

We are committed to producing hand sanitizer to help protect our community.

- Manufactured in an FDA-Registered facility
- Capacity to produce up to 50,000 gallons per day of gel and 100,000 gallons per day of liquid
- Permanent player in the market with the ability to increase capacity on short notice
- Offered in various sizes:
 - 2 oz and 4 oz bottles with flip caps
 - 8oz, 12oz, 16oz and 32oz bottles with pump tops
 - 64oz and 1 Gallon Jugs with pump tops
 - 55G drums and 275 Gallon Totes

ABOUT INTEGRITY MADE:

At **Integrity Made**, we are committed to producing products to help protect our community. Our purpose is to go above and beyond to deliver unmatched quality and service that you can depend on. Our customers need our help now more than ever, and we must answer the call.

INTEGRITY MADE

HS 70 — SALES SPECIFICATIONS

Our HS 70 line of products consists of a 70% by volume ethanol hand sanitizer gel made from USP grade raw materials. The strategic combination of inactive ingredients in precise ratios gives the product a quick and desirable rub time while leaving hands feeling smooth and moisturized after every use. Three products are currently available: Citrus Fragrance (HS 70C), Aloe Fragrance (HS 70A), and Unscented (HS 70). Additional fragrance options are available for consideration.
